

ANTI-THEFT PROTECTION

VIN ETCH

Global Etch Protection

By permanently engraving each window with a registered number, highlighted by a window decal warning, the Global Etch vehicle becomes easily identifiable. Auto thieves rarely steal a vehicle which would require window replacement.

Insurance Discount

Provides you a premium discount opportunity with most insurance companies.

(Check with your agent for specific details)

Features and Benefits

- **Vehicle Identification System effectively deters theft.**
- **Law Enforcement quickly identifies registered vehicles.**
- **System cannot be removed or by-passed.**
- **“Chop shops” rarely buy vehicles that can be traced.**
- **Replacing all window glass can be very costly, as high as \$5,000!**
- **Vehicle registration can reduce theft by 60% and increase recovery by 85%!**

Guaranteed Protection

Global Protection Limited Guarantee pays you up to \$5,000 if your vehicle is stolen and not recovered for 30 days.

Global Protection Limited Guarantees are insured by an “A” rated insurance company. (See the Global Protection Limited Guarantee for details)
