

WHY BUY NOW?

- ✓ The appearance of your vehicle plays a major role in determining its resale value. Simoniz GlassCoat® will enhance the appearance of your vehicle, making it worth more money at trade-in time.
- ✓ The exclusive Simoniz GlassCoat® Program can only be purchased prior to delivery of your new vehicle.
- ✓ Exceptional coverage on new and used, please review warranty contract for coverage.
- ✓ It will minimize possible expenses at the end of your lease from "excess wear and tear" due to paint or seating damage.
- ✓ Peace Of Mind

HOW MUCH DOES IT COST?

_____ a month. Unlimited mileage!

Consumer Acknowledgment

I understand that the manufacturer does not cover my vehicle's paint against environmental or industrial damage. I have been offered the Simoniz GlassCoat® program which would warranty my vehicle against these conditions.

that protects your vehicle's good looks and resale value

*Paint, Carpet, Fabric Seats, Leather Seats
Floor Mats & Cargo Area*

WHY

Do I need Simoniz® GlassCoat®?

Simple...GlassCoat® provides coverage to your paint that you do not get from the manufacturer.

HOW

Is my Paint Not Covered?

- In most cases, environmental acids and items that are harmful to the clearcoat of your vehicle are not covered.
- Things like acid rain, tree sap, bird waste, decaying insects, hard water, ice melting agents, aerosol spray paint and UV damage from the sun are specifically excluded by the manufacturer's warranty.
- The best way to show how and why GlassCoat® is important to you is to see the language in your Warranty Booklet and Owners manual.
- Ask your Dealer for a copy of those books. Look under the "what is not covered" section of the warranty booklet, and look under "appearance care" in the owners manual for complete details.

WHY

Doesn't The Manufacturer Cover The Paint On My Vehicle?

- Paints are water based now and much softer than paints of the past.
- The softer the paint, the more easily it is damaged.

WHAT

Guarantee Do I Have It Will Protect My Vehicle?

- When professionally applied to your vehicle, GlassCoat® polymerizes on the clearcoat of your vehicle and forms a unique ceramic glass resin.
- To back up our GlassCoat® product, we provide you with a product warranty on new and used vehicles. If the process fails, the warranty will repair or repaint your vehicle.

HOW

Does Glasscoat® Protect My Vehicle?

GlassCoat® is a clear liquid that is applied to the clearcoat of your vehicle. Unlike traditional waxes and sealants that "cover the surface", GlassCoat® chemically reacts with hydrogen and oxygen on the surface of the clearcoat. The end result is an extremely clear, tough and durable ceramic film that adheres so strongly to the clear coat that not even organic solvents can remove it!

WHAT

About The Interior of My Car?

Simoniz® utilizes Stain Sentry advanced surface protector's to the interior seats, floor mats and carpeting of your vehicle. This process protects your interior from stains from any consumable food product plus lipstick, make-up, vomit, crayons, urine, pet waste and blood.

SIMONIZ® GLASSCOAT®

- Whether you are buying or leasing a new or used vehicle, keeping it looking new helps to maintain it's resale value.
- A high resale value means more money for your vehicle when you're ready to sell or trade in.
